BERRY METAL AND BELLE EXPORT-IMPORT, S.R.O CELEBRATE 20TH ANNIVERSARY

Since June 1996, Belle Export-Import has been the exclusive representative of Berry Metal Company for Central and Eastern Europe. The Berry Metal and Belle Export-Import partnership has been successful in the Slovak, Czech and Serbian market. Together, we have created a reputable program, providing excellent customer service and quality products. Belle Export-Import, s.r.o. Kosice, Slovakia was established in 1993 as the daughter company of American Belle Export-Import USA.

Ján Dargaj , General Manager of Belle Export-Import receiving the 20-Year Plaque from Brayton Carner, Executive Director of Blast Furnace Technical Services & Engineering

"20 great years of partnership, friendship, and cooperation"
