

Extending BOF lance life: Just the tip of what we do...

berrymetal.com

WE PROVIDE FURNACE SOLUTIONS.

Put Berry Metal's expertise to work to help you increase overall BOF efficiency and extend campaign life. From stock line to lance tip, from lance carriages, to tip temperature data to anti-slopping.

We have the technology, understanding and spirit of innovation to improve your productivity while reducing maintenance and downtime.

Increase your yields and cost savings with Berry Metal.

We don't just say it, we do it.

The logo for Berry Metal Co. features the word "Berry" in a large, stylized, metallic font with a small flame icon above the "y". Below it, "METAL CO." is written in a smaller, bold, sans-serif font, flanked by two small orange dots.
