

## Blast Furnace Equipment Reconditioning

**Drill Hammer  
& Couplings**

**Above Burden Probes**

**Gas Shut-off 3 Lever Valve**

### **ADVANCED IRONMAKING TECHNOLOGY**

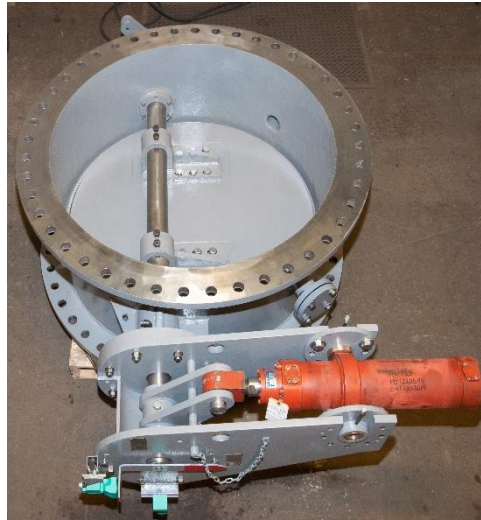

*For more information on this and other technological innovations made available through our partnering agreements, contact Berry Metal Company, at 724-452-8040 or [info@berrymetal.com](mailto:info@berrymetal.com)*

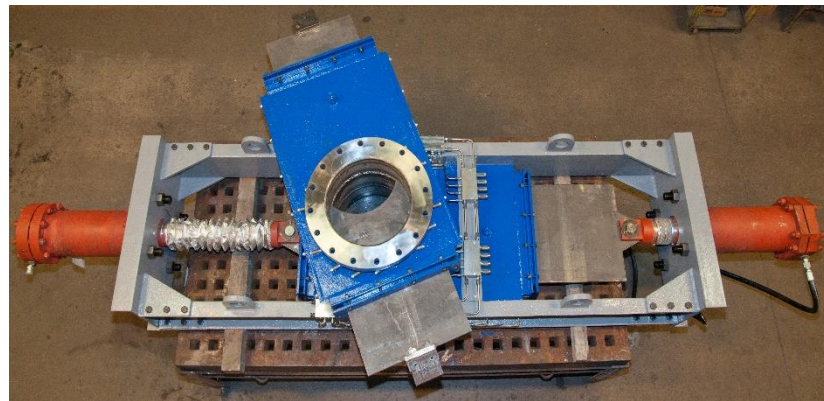

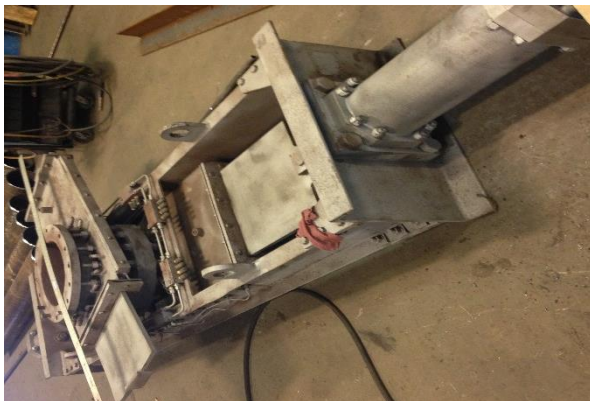

## Blast Furnace Equipment Reconditioning

**Gas Regulating Butterfly Valve**

**Dustcatcher Valve**

### **ADVANCED IRONMAKING TECHNOLOGY**

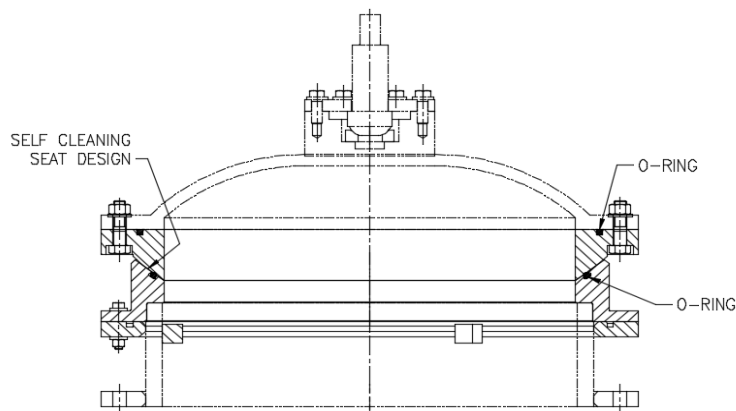

*For more information on this and other technological innovations made available through our partnering agreements, contact Berry Metal Company, at 724-452-8040 or [info@berrymetal.com](mailto:info@berrymetal.com)*

## Blast Furnace Equipment Reconditioning

**Coffee Pot Bleeder Valve**

### ADVANCED IRONMAKING TECHNOLOGY

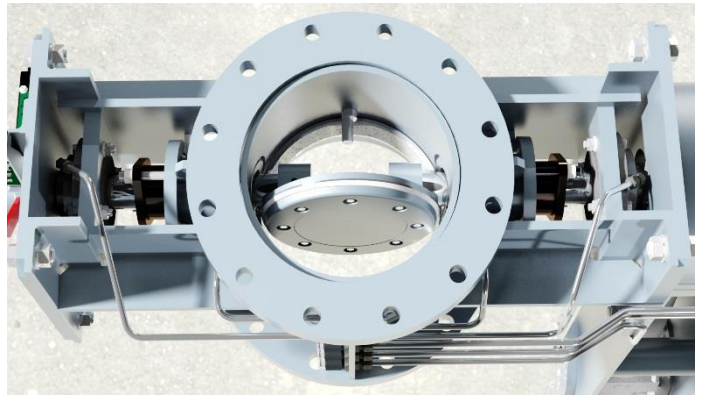

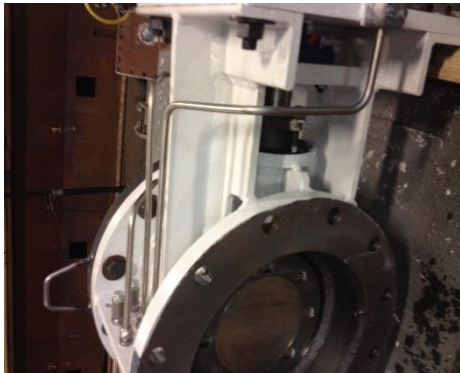

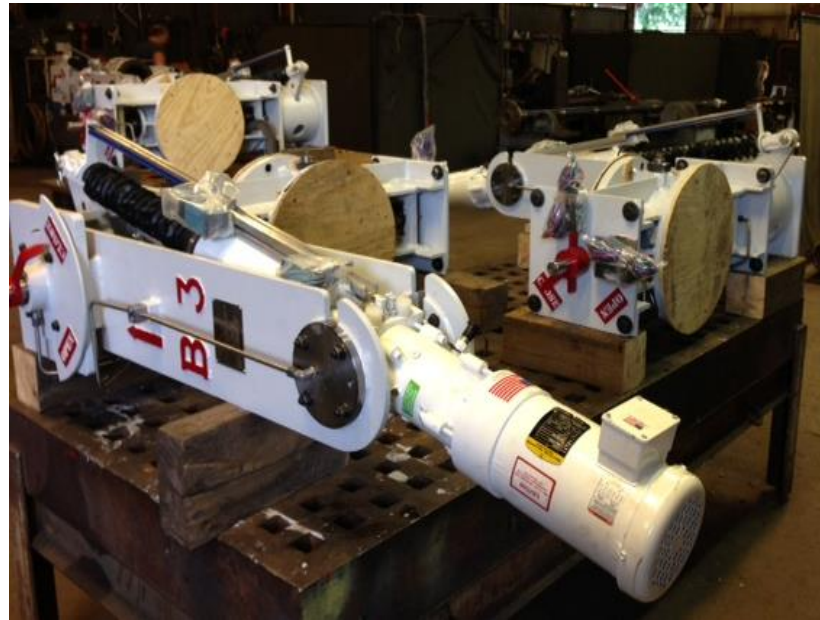

For more information on this and other technological innovations made available through our partnering agreements, contact Berry Metal Company, at 724-452-8040 or [info@berrymetal.com](mailto:info@berrymetal.com)

## Blast Furnace Equipment Reconditioning

**High Performance Butterfly Valves**

### **ADVANCED IRONMAKING TECHNOLOGY**

*For more information on this and other technological innovations made available through our partnering agreements, contact Berry Metal Company, at 724-452-8040 or [info@berrymetal.com](mailto:info@berrymetal.com)*

# Blast Furnace Equipment Reconditioning

**In-Burden Probe Improvements**

## **ADVANCED IRONMAKING TECHNOLOGY**

*For more information on this and other technological innovations made available through our partnering agreements, contact Berry Metal Company, at 724-452-8040 or [info@berrymetal.com](mailto:info@berrymetal.com)*
